Value Price Servicing

In addition to the Service Plan you can also benefit from

25% Discount on labour

for any rectification work or additional repairs.

10% Discount on all parts

and accessories from our parts department.

These additional benefits can be used for any additional costs above the basic service and MOT test schedule. Including any additional parts and labour.

What happens if the price of my service is higher than I have saved?

You simply pay the difference between your service bill and the amount on your savings account.

What happens if I change my car?

Any balance on your plan can be transferred to a new plan or refunded (without charges after a first service has been made on the plan).

What happens if I terminate the agreement?

Any balance is refunded to you, without charge if a service has already been charged to your plan.

Are there any additional charges to pay?

We charge a £15 cancellation charge if you cancel the agreement before the first service, otherwise there are no fees.
